

## Dear Teana Member,

It is our pleasure to announce that On Time Media, LLC will be offering a substantial discount to Teana Members. The value we find in being a part of The Expedite Association of North America, and the members' commitment to Teana's mission- "To create and maintain a forum for our networked expeditors to facilitate the exchange of information and services that allow our member companies to enhance, improve, and expand their services to their customers with safety and security while maintaining the highest levels of quality", moved us to identify the best way we could support that mission.
