

# LETTER FROM THE TREASURER

The end of 2018 sees TEANA experiencing a growth spurt in membership thanks to many of our hard working members. It's because of our members that TEANA is able to maintain a strong financial position and continue to be the best organization in the business. When you have strong a network of companies that enjoy working together, success comes easy.

We ask that our members continue to support our association in any way they can. Sponsoring one of our annual meetings is not only a great way to show your support for TEANA, but also a fantastic opportunity to promote your business. We still have several sponsorship opportunities available for our Winter Networking Meeting in Key West, which will be taking place February 8-10, 2019. Sponsorship opportunities for our Annual Meeting in Charleston, SC in July of 2019 will be released shortly as well.

TEANA is also blessed with a strong legal council that goes to work for us. You can help TEANA fight for our industry on the hill by making a donation to our legislative fund. All of the hard work they do for us wouldn't be possible without support from our members.

I encourage every member to take a look at the year-end financials on TEANA's website. Any questions you may have can be directed to me at [kim@carborocarrier.com](mailto:kim@carborocarrier.com).

I hope to see all of you in Key West in February – please be sure to come up and introduce yourself! I love meeting all of our members and discussing new ways to help us help you. I hope 2019 is a year of growth and prosperity for all of TEANA and it's members.

Thank You,

*Kim Johnson*
